Certainty at The Speed of Light

RFL-30W

RFL-50W

## LED RECHARGEABLE

## FLOOD LIGHT

### RFL

The POWER-LITE® LED Rechargeable Flood Light provides many benefits in addition to the substantial cost savings achieved through our LED technology. Features an ultra thin die-cast aluminium body, with anti-corrosion paint, small in size and easy to carry with a 360° rotatable lamp body, making it adaptable to various environments. Contains Philips LED Chips which provides a high lumen output to effectively light up dark and large areas.

### APPLICATIONS

- Domestic
- Commercial
- Industrial
