## IMPORTANT NOTE – PLEASE READ PRIOR TO INSTALLATION OF THIS PRODUCT

1. This product is advertised as 4m length.
2. Both the aluminium and diffuser are oversized.
3. Please cut the aluminium extrusion with the diffuser installed to the desired length, to ensure that both are the desired length.
4. Note, if you install both aluminium and diffuser out of the box without cutting it to length, there may be a discrepancy between the length of the diffuser as compared to the extrusion.

If you have any queries, please contact one of our team prior to installation for clarification on 1800 909 306 or [sales@nedlandsgroup.com.au](mailto:sales@nedlandsgroup.com.au).
