

# POWER-LITE®

Certainty at The Speed of Light

## FULLY ADJUSTABLE

### FAN RUN ON TIMER

#### EF-ROT

The POWER-LITE® Fully Adjustable Fan Run On Timer features an adjustable run-on time from 0 seconds to 20 minutes, and a delayed start option from 0 to 5 minutes. Designed for quick and easy installation, it fits neatly into a standard wall-mounted flush box or directly within a fan or light assembly. Ideal for bathrooms, toilets, and laundry areas, it provides reliable, user-configurable control of ventilation fans to support energy efficiency and comfort.
